MARKETING & COMMS · GROWTH MANAGEMENT · BRAND ADVISORY · MARKETING OPS

Start-ups & SMBs · AI-Enhanced Marketing Operations · Data-Led, Outcome-Oriented · Global Perspective, Local Insight · Hybrid-Team Leadership

Professional Summary

Growth Marketing & Business Development Consultant with 10+ years building **partnerships, go-to-market plans and marketing and comms functions** for **start-ups, SMBs** and global brands across **EMEA, APAC and North America**. Track record of turning strategy into measurable revenue, including **\$1.5M in B2B revenue secured within six months**, 192M campaign impressions across 40+ global subsidiaries and 15% month-on-month growth for a retail client.

Builds marketing from the ground up: CRM, demand generation, partnerships, events and community programmes, integrating AI and automation to accelerate campaign delivery, content production and reporting. Works hands-on from brief to working prototype, and cross-functionally with founders, sales, product and leadership teams.

Advises start-ups and SMBs across four areas: **growth and go-to-market, marketing and comms, brand advisory and marketing operations**. Brings a brand and client-experience eye shaped by luxury retail, private members' clubs and global arts organisations, and a founder's view from running a consultancy, a cultural start-up and two small consumer brands.

Professional Experience

JG Creative: *Remote (London & Athens)*

Sep 2018 – Present

Founder | Creative Director & Growth Marketing Consultant

Advising start-ups, SMBs and growth-stage companies on marketing strategy, comms, partnerships, brand and customer acquisition. Selected engagements include:

Go-to-Market Strategy & Marketing Infrastructure

- Advise start-ups and growth-stage companies on go-to-market strategy, marketing infrastructure and customer acquisition.
- Build marketing functions from the ground up: CRM, demand generation, partnerships, events and community programmes, including SaaS marketing infrastructure, automation and customer data strategy.

Client Strategy & Proposals

- Scoped, priced and pitched seven growth engagements across Athens food and hospitality, fitness, health-tech and US insurtech, including a market-launch partnerships proposal for Barry's Bootcamp Greece and a data workflow architecture for a US insurance comparison platform.

- Astérisque (gluten-free bakery, Athens): built a staged, priced digital growth proposal with click-and-collect, email/SMS and a weekly bread subscription; delivered a working digital loyalty-card demo in the client's brand.
- Designed a low-friction loyalty programme for an Athens organic market (email-only sign-up, Apple/Google Wallet cards, no app), with bundling strategy, tech selection and implementation.
- Built a community-led growth strategy for an Athens coffee shop and community venue, grounded in local market data.

AI Integration & Workflow Automation

- Embedded generative AI tools (Claude, ChatGPT, Notion AI) and automation platforms (Zapier, Make) into client marketing operations to streamline content production, market research and campaign reporting.
- Developed prompt frameworks and AI-assisted systems supporting brand strategy, copywriting and competitor analysis.

Growth Marketing, Partnership & Community Programmes

- Drove 15% MoM growth for a retail client through an influencer marketing campaign.
- Implemented marketing frameworks integrating digital campaigns, partnerships, events and community activations, and supported founders in building collaborations with creative, hospitality and technology partners.

The Athens Collective / Polari Atlas App: *Athens & London*

2024 – Present

Founder & Strategy Lead

-
- Founded a three-entity cultural start-up: a UK research body, a pilot community network for Athens' international residents, and a cultural almanac app with printed directory; prototyped listings, calendar, map, registration, RSVP and groups.
 - Launched a bilingual (English/Greek), GDPR-compliant research survey with Zapier automation into Notion and Slack; responses from 17 nationalities, with 79% opting into the product waitlist.
 - Translated findings into funder and product evidence and built a multi-funder strategy across Creative Europe, British Council, AHRC, Arts Council England, Arts Council of Wales and Wales Arts International.
 - Led a coordinated Instagram launch across three accounts with distinct brand voices, bilingual content and a Tally referral sign-up flow.

Ryker Creative Agency: *Global, Remote (London, Seattle, New York)*

Oct 2023 – Sep 2024
